EPA GHGRP Repeal Updates

Coalition submitted a final comment letter

- Submitted November 3
- Thank you to everyone from this group who helped frame the message

State-of-Play

- Significant, broad, industry pushback
- Cramer/Whitehouse letter
- IA/NE Attorney General letter
- API/Chamber comment letter (20 trade association signatories)

Advocacy

- Continued engagement with congressional champions
- If repealed, exploring potential to codify subpart RR in statute (SDWA or other)
 - Early stages
 - Will consult this group before determining next steps

Discuss Need for Interim Model Guidance

While timing of the final rule from EPA is unclear, we must plan for a full repeal to ensure taxpayers are able to claim 45Q for the 2025 tax year.

- Overview of Steptoe memo:
 - Discuss the need for interim model guidance
 - Discuss desired scope of guidance
- Overview of draft interim guidance
 - Drafted by Oxy; shared amongst the broader stakeholder community

Next Steps

Friday,
December 5

- Please review the **draft model guidance** and provide feedback no later than **Friday, December 5**.

Wednesday,
December 8

- Reconvene joint work group to discuss / finalize CCC endorsement of the draft model guidance

December
TBD

- Share final interim model guidance with Treasury / IRS in coordination with other allied stakeholder groups

Thank You!

For any questions, please reach out to Coalition Staff
